NAMASKAR

I am feeling ecstatic to present the newsletter for the third quarter 2024-25.

A newsletter reflects all the activities being conducted in the Vidyalaya. It presents how we are working hard to provide opportunities for our students for all-round development. We believe in providing such an environment where knowledge is a combination of academic and non academic activities . I congratulate all my primary department on the publication of this newsletter

From Headmaster's Desk

Dear Readers,

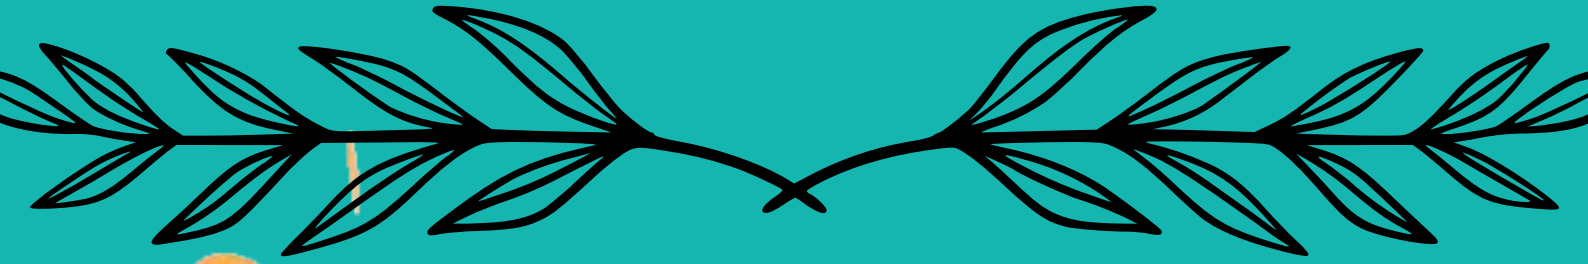

We welcome you to read our newsletter E- Abhyuday .

This newsletter represents our achievements , experiences and all the activities conducted in the Vidyalaya for our little tots. All your suggestion are welcome as they help us grow and do better. I congratulate my team members for all their hardwork and sincerity put towards their work.
