Namaskar!

I feel delighted to share the newsletter for the second quarter of the academic session 2025–26. This newsletter beautifully captures the energy, enthusiasm, and creativity that define our Vidyalaya. It is a reflection of our collective efforts to provide every child with opportunities that encourage curiosity, confidence, and compassion. We aim to create a joyful learning environment where knowledge blends seamlessly with values and co-curricular activities — preparing our students to face the world with wisdom and grace.
