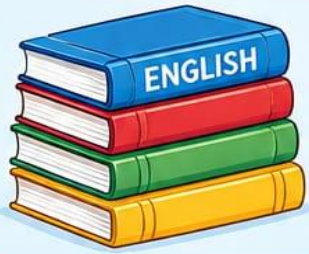
Library Resources Report

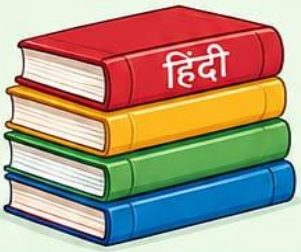
The school library at Kendriya Vidyalaya Gunupur is well-stocked with a rich collection of books to support the reading and learning needs of our students.

English Books



600 Books

Hindi Books



582 Books

Total Books in Library **1182** Books

About the Library Collection

The library has a well-balanced collection of Hindi and English books including storybooks, children's literature, general knowledge books, reference books and other age-appropriate reading materials. The books are arranged systematically and are being used by students during library periods and for independent reading.
