The services of contractual teachers in Kendriya Vidyalaya are purely temporary and are utilized only when vacancies arise. If the work is not found satisfactory / not in the interest of students, or if a regular employee is appointed by KVS, the Principal reserves the absolute right to terminate the services of the contractual employee without assigning any reason. Therefore, there is no provision for reservation in the appointment of contractual staff, as it is impossible to determine when a teacher of any subject may be transferred or proceed on long leave due to unavoidable circumstances. Selection is made solely on the basis of minimum qualifications, experience, and marks awarded by the panel.
