PRINCIPAL'S MESSAGE :

It gives me immense pleasure and pride to be a part of a pacesetting organisation like KVS, catering to the vision and mission envisaged by it . At KV NFR RANGAPARA we strive relentlessly to carry forward the legacy of KVS by providing a safe and conducive environment not only for curricular transaction but also for the holistic development of the children. Over the years, our students have excelled in the field of academics as well as sports and other co-curricular activities.

Dear students, you are going through the most crucial and exciting phase of a person's life. There is no easy path to success. Learning is a lifelong process. In order to succeed and flourish you have to keep improving the best version of yourself through hard work , persistence and an undying passion for whatever you chose to pursue.

Parents are the first teachers and have a key role in shaping the character of the children and instilling moral and ethical values in them. Family is the place where values like love, understanding, tolerance empathy are learnt. Parental encouragement and involvement go a long way in student development. Ensure quality time with them, encourage them and reinforce a sense of trust and belongingness in them. We always look forward to constructive suggestions from you. Let's work hand in hand to help them unleash their true potential and emerge confident and fully equipped to take on the world.
