Building safety certificate

It is certified that the building of kendriya vidyalaya NHPC School Sainj Tehsil Sainj Distt Kullu (HP) has been inspected by the Assistant Engineer, Larji . As per his visual inspection of the building seems to be safe for running school classes for the academic year **2024-25 (One Year)**. However structural stability cannot be ascertained due to non availability of structural drawings, grade of concrete and other specifications required for the building construction as per IS building code. This certificate is being issued purely on the basis of visual inspection and issuance of this certificate does not confer any legal and financial liabilities on the issuer please.
