Details of previous and new campus:

Initially the Vidyalaya started working in Army Barracks in July 1984. It was shifted to temporary Building in October 1985 and till date it is running in that building.

## Facilities available including games and sports facilities:

The Vidyalaya has got a well-stocked library with more than 7600 books on various subjects and two modernized Computer Labs with 45 computers and internet facility. 2nd Computer Lab. is developed this year and 18 Computers are installed with Network facility. All this has been possible due to the cooperation of the Hon'ble Chairman, Col. Amar Bhosale. I also thank all Officers of 17 FAD and MES authorities for their help in the construction of special rooms for this purpose. We also maintain our own Vidyalaya website 'baddowalcantt.kvs.ac.in' in which the entire information

about the activities of our Vidyalaya is given and updated regularly. We have a well-equipped Science laboratory. A fully equipped Resource Room with Computers, LCD Projector, Television, DVD Player is also added to make the teaching – learning process effective and interesting for the students of Primary Wing

Spacious football ground, Kho-Kho ground, Badminton court, Long & triple jump court, 2 Play grounds, Swings for the students of primary section.

Location and Building:

Kendriya Vidyalaya is located in the campus of Baddowal Cantt. Situated on the Ferozepur Road about 8 Km. from Ludhiana City. The cantonment which houses the Vidyalaya is safe, secure nestled in sylvan surroundings, far from the polluted environment of Ludhiana, Baddowal is well connected with both bus and rail links within 1 Km radius. The Vidyalaya's was established in July 1984 to cater to the needs of the children of defense personnel serving in the installations of Dholewal Cantt. & Jagraon Bridge, Paramilitary forces like ITBP, Central excise, Banks and other Govt. & Semi Govt. organizations. The wards of retired personnel are also benefited by this Vidyalaya. The school is up to XII class with commerce stream. Each class has two sections and each section has 35 to 40 students. Hence there is ample scope for individual attention.
