APRIL - JUNE

NANHI UDAAN

FROM THE PRINCIPAL'S DESK

It gives me immense pleasure to learn that the primary wing of KV Raghunathpura are coming out with their CMP NEWSLETTER. It is my firm belief that the holistic

development of the primary class children shapes the future strength and outcome of the Vidyalaya.

An all-round growth of these tiny tots is an utmost necessity for them and needless to say – the society.

The CMP NEWSLETTER show cases the various activities, competitions and programmes conducted by the primary children and other such events.

I congratulate the entire team of publishers and all related stakeholders & give them by best wishes for their future endeavor.

Good luck and stay safe.
