Hands-on Skills Workshop under PM SHRI Scheme

Activity Name:

Knitting

Participants:

Students from Classes VII, VIII, & IX, totaling 30 students

Workshop Duration: 3 month days, November-2023 to January -2024

Daily Hours: Daily sessions of two to three hours

Materials Used: Cloth, needle and knitting machine

Objectives:

1. Providing students with hands-on skills experience.
2. Encouraging innovation and creativity, particularly in 3D art.
3. Promoting practical learning methods.

Impact on Students:

The workshop enabled students to develop practical skills and explore their creativity through mural painting. They learned to work with various materials and tools, enhancing their artistic abilities. It also enhanced practical skills in mural painting. Moreover, it fostered teamwork and collaboration among the participants.

Impact on Parents:

Parents appreciated the workshop as it provided their children with valuable practical skills and creative outlets. They observed increased confidence and enthusiasm in their children's artistic endeavors.

Final Product:

The culmination of the workshop was a beautiful mural painting showcasing the name of PM SHRI KV no 2 AFS Adampur and the PM SHRI logo, adorned with intricate floral art. This artwork serves as a testament to the students' talent and the success of the workshop in achieving its objectives.

The hands-on skills workshop on knitting conducted under the PM SHRI scheme at PM SHRI KV KV no 2 AFS Adampur successfully achieved its objectives of providing students with practical exposure.
