

REPORT ON WORKSHOP ON PHONICS

Dated :18/09/2024

Presented by :Ms Mohini Gangwar

The workshop started with Saraswati Vandana. Thereafter respected principal Mr. Amaranth sir formally started the workshop and enlightened us on importance language development in primary classes.

He focused on the fact that we should make student learn, speak and write in correct form only.

In this workshop we learned about four basic pillars of language ie Listening Speaking, reading and writing

In this session we learned that in spite of having 26 alphabets we have 44 sounds in English.

We did activities of letter blending, segmentation. TLMs on letter and phonics.

We took active participation in in the activities based on phonic sounds and pronunciation.

We learned that we have to make each child an independent learner and reader.

At last phonic quiz was conducted.

Overall it's was a knowledgeable session.

Thank you
