KENDRIYA VIDYALAYA DANGOAPOSI
E-NEWS LETTER
2024-2025

FROM THE DESK OF PRINCIPAL

Kendriya Vidyalaya Dangoaposi Established in the year 2020, in the civil sector sponsored by S E Railway, currently there are 09 classes from I to IX having 323 students. Presently it is running in a temporary building provided by S E Railway Dangoaposi. Very soon the school will be shifted to new building. 40% of the construction work has been completed. School is open for all kinds of students like SC, ST, OBC and GEN.

It is a little nice school with a potential to flourish as large school. Teachers are dedicated and students are disciplined. Limited but all kinds of facilities are available like library, playground and labs.

School is bound to implement the guidelines issued by HQ Delhi and RO Ranchi as per NEP (2020) and NCF (2022 & 2023) recommendations. Teachers are aware of different acts like RTE, RTI, POSH and POCSO.

Vidyalaya Management committee is constituted; community participation is very good. Teachers are friendly, cordial, technologically sound, updated and ready to learn.

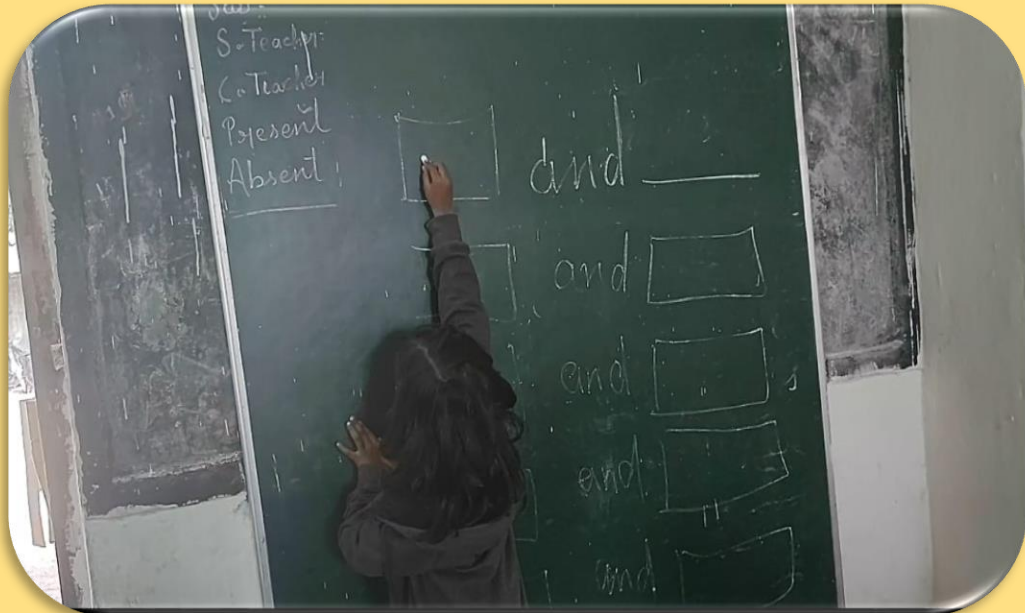

Overall, we are providing very conducive learning environment inside the school campus. Students are comfortable, stress free and safe. Our aim is all round development of the students based on Vedic Pancha Kosha Vikash.

Day by Day we are improving.

I hope we will continue the upward progress.

Umesh Kumar
Principal GR II
K V Dangoaposi

LETTER AND SHAPES RECOGNITION

Activities are planned to enrich the experience of students to correlate their present knowledge with outside world

NUMERACY AND COUNTING

Numeracy is a critical life skill that transcends basic arithmetic. It involves the ability to understand, apply, and analyse numerical data in various contexts. As a lucrative skill, numeracy offers significant value not only in personal financial management but also across diverse industries, from technology and finance to healthcare and education. This report explores the importance of numeracy, its impact on career and economic success, and how improving numeracy can open up lucrative opportunities.

A KALEIDOSCOPE OF FUN LEARNING EXPERIENCES

FUNDAY AT SCHOOL IS CONDUCTED TO PROMOTE LEARNING WITH FUN AND TO PROVIDE WITH RELIEF FROM ACADEMIC STRESS AND OFFER THEM RELAXATION THROUGH ENTERTAINMENT AND SOCIALIZATION WITH TEAMWORK.

CCA ACTIVITIES

While traditionally seen as extracurricular, Co-Curricular Activities can lead to lucrative opportunities by building essential skills, expanding professional networks, and providing platforms for income generation. By actively participating in or leading these activities, individuals can not only enhance their personal development but also set the stage for future financial and career success.
