PRINCIPAL'S MESSAGE

(Principal)

“My students and my teachers are the reason I laugh, I smile and want to get up every morning.”

I am overwhelmed with immense joy to publish ‘TRANG’ e-Newsletter for the academic year 2024-25. It is the result of indomitable determination showing by a group of devoted teachers and students.

It is rightly proven that nothing can hinder the hidden talents of our blooming buds. In ‘TRANG’ the students of Primary section, KV Harsinghpura have portrayed their outbursts in the form of their craft work, painting, music, dance, drawing, reading etc.

I appreciate the efforts of the students and the guiding hands who have helped them to navigate through their creations. I convey my special appreciation and thanks to the parents for their motivation and guidance to our children. I congratulate all my loving kids, compassionate teachers and supportive parents for the publication of ‘TRANG’.
